### What's in a Book?

#### Psalms

The Book of Psalms is a collection of songs and poems that represent centuries worth of praise and prayers to God with a variety of themes for all circumstances. Many of the one hundred and fifty separate psalms are attributed to King David with others to Asaph, the sons of Korah, Solomon and other writers. The name derives from the Greek word ψαλμοί (*psalmoi*) which means instrumental music and their accompanying words. Psalm 119 is the longest psalm with 176 verses while psalm 117 is the shortest with only two verses. Some psalms are better known than others. How many of these do you know and can you identify them by their number?

*Blessed is the one who does not walk in step with  
the wicked*

*Lord, our Lord, how majestic is your name in all  
the earth!*

*The fool says in his heart, "There is no God."*

*The heavens declare the glory of God; the skies  
proclaim the work of his hands.*

*My God, my God, why have you forsaken me?*

*The Lord is my Shepherd...*

*The earth is the Lord's, and everything in it,*

*As the deer pants for streams of water,*

*God is our refuge and strength, an ever-present  
help in trouble.*

*The fool says in his heart, "There is no God."*

*May God be gracious to us and bless us and  
make his face shine on us*

*Come, let us sing for joy to the Lord;*

*Shout for joy to the Lord, all the earth.*

*I lift up my eyes to the mountains— where does  
my help come from?*

*I rejoiced with those who said to me, "Let us go  
to the house of the Lord."*

*Praise the Lord. Praise God in his sanctuary;  
praise him in his mighty heavens.*
